State Of New Jersey, complaining of defendant, states as follows:

1. On March 8, 2012, RBS/ABN AMRO INC Defendant
(name of person being sued)

(Summarize what happened that resulted in your claim against the defendant. Use additional pages if necessary.)

I had a car accident at the end of June, 2009, which made me unable to work. I had to work because I was afraid of losing my job. I was having back spasms and the pain medicine made me dizzy making it dangerous to drive, while the doctor advised me not to work. Because I worked in the month of July 2009 the insurance denied my claim even though the disability continued until mid January 2010.

Even though I was offered a Job in connecticut I could not take it because I would have had to move and it would had affected my sons custody case. For this reason I had to turn down the offer. For this reason I was let go from the Company. I received a severance package, how ever I did not sign it because it included a clause which prevented me from receiving my workers compensation for the time that I was disable. Ther for I am requesting my severance pay as well as my workers compensation and related problems through the years involving Tax due to my 401K retirement plan that I had ~~was~~ borrowed.

a part of this lawsuit. In addition, I recognize my continuing obligation to file and serve on all parties and the court an amended certification if there is a change in the facts stated in this original certification.
